PERIODICALS

The library subscribes to dozens of print magazines and several newspapers, which we call "periodicals." Periodicals can be helpful for research in a variety of disciplines. Visit your local library to check out our print periodicals related to current events, the arts and sciences, and more for when you need print sources for your research projects.

Henrico County also subscribes to Zinio, a digital magazine service, that allows you access to hundreds of magazines and back-issues online, anytime. Check out Zinio through our e-books and more page:
